

5 important points to consider when hiring a car | van | motorhome

- Keep a copy of the original booking confirming the price
- Keep all paperwork when you collect the vehicle
- Keep the sign off paperwork when you return the vehicle
- Check your credit card statement to make sure that you have not been charged for any additions that you never agreed to
- Keep details of rental vehicle's registration in case you are sent a parking fine or speeding fine and the vehicle rental company have provided the authorities with the wrong vehicle or renter information
